- Non-resident: Juristic Persons mean (1) Office/ branch/ agent of Thai individuals or juristic persons located outside Thailand (2) Corporation, institution, company incorporated abroad (3) Foreign government or organization of foreign government (4) Foreign embassy, foreign consulate, specialized agencies of the United Nations, international organization or institution, stationed in Thailand.

2. Conditions of interest payment for savings account

- The Bank will pay interest 2 times per annum, in June and December each year.

3. Conditions of interest payment for fixed deposit

- The Bank will pay interest upon maturity date only.
- Early withdrawal of fixed deposits:
 - The bank will not pay interest if the actual deposit period is less than 3 months.
 - If the deposit is withdrawn after the first 3 months but before the maturity date, the Bank will pay interest equivalent to savings interest rate as periodically announced by the bank.

4. Interest calculation method

- The interest is calculated on the basis of 365 days per year.
- The formula for interest calculation is as follows:

Interest received = $\frac{\text{Principal} \times \text{Interest rate} \times \text{Number of days}}{100 \times 365}$

100 x 365

Annex Table 1 Deposit Interest Rate (THAI BAHT)

Effective from 12 December 2017

5. Other conditions:

- The Bank may offer an interest rate for the savings account and fixed deposit higher than the rate announced by the Bank, but not exceeding 0.75% p.a.
- The Bank reserves the right to consider offering an interest rate for the savings account and fixed deposit higher than the rate announced by the Bank, exceeding 0.75% p.a. Such a consideration shall be in line with the Bank's approval authority.
- The Bank reserves the right to consider modifying the criteria, conditions, and special interest rate as appropriate, to be matched with each economic and financial business situation.
- All types of deposit in Thai Baht except non-resident Thai Baht deposit account are protected by the Deposit Protection Agency as per the Deposit Protection Agency Act B.E.2551, at the coverage amount specified by law.
- Principal and interest of a non-resident Thai Baht deposit account according to Exchange Control regulations of Bank of Thailand is not protected by Deposit Protection Agency as per the Deposit Protection Agency Act B.E.2551.

Remarks:

- To comply with the Measures to prevent Thai Baht speculation of Bank of Thailand, the Bank shall not pay interest for a non-resident Thai Baht deposit account for both current and savings accounts. In addition, the Bank shall open Thai Baht fixed deposit for non-resident only for a term of 6 months and more.
- The above deposit interest rate is effective from the announcement date until further notice.
- For any query, please feel free to contact our Corporate Business Department

2. Conditions of interest payment for savings account

- The Bank will make interest payment in June and December each year. The interest is calculated on daily basis from the ending balance of each day.

3. Conditions for fixed deposit

- The Bank will pay interest upon maturity date.
- No monthly interest payment and no interest payment if the deposits are withdrawn before the term of 3 months.
- The withdrawal of fixed deposits before the term if it is more than 3 months, the Bank will make interest payment for the real term of deposit at the rate not exceeding the interest rate of savings account on the deposit date.
- For fixed deposits matured on a banking holiday, if customer withdraws on the next business day, the bank will include the holiday in the interest calculation.
- On due date of fixed deposits, if the customer does not withdraw it, it can be assumed that the customer agrees to renew such fixed deposit at the same type and tenor. The interest rate will be determined on the new deposit date.

4. Interest calculation

- The interest rate is calculated on the basis of 360 days per year.
- The formula for interest calculation is as follows:

$$\text{Interest received} = \frac{\text{Principal} \times \text{Interest rate} \times \text{Number of days}}{100 \times 360}$$

5. Other conditions:

- The principal and interest of foreign currency deposit are not protected by the Deposit Protection Agency as per the Deposit Protection Agency Act B.E.2551.
- The bank may consider increasing the interest payable to customers on a case by case basis as deemed appropriate.
- The Bank reserves the right to consider modifying the criteria, conditions, and special interest rate as appropriate, to be matched with each economic and financial business situation.
